

Who We Are ...

Our Mission:

ClothingWorks contributes to the employment success of job seekers in financial need by providing them with job appropriate attire at no cost.

What:

At ClothingWorks, we are dedicated to assisting job seekers in presenting themselves with increased confidence during their job search process.

We provide, at no cost to our clients, job ready attire through a personalized shopping experience. Our clients are referred through community partnerships with over 100 London area employment and training agencies.

How:

Our services made possible through monetary donations, community sponsorship, and donations of new and gently used, ready to wear professional business attire including shoes and accessories.

How It Works ...

You will be referred to ClothingWorks by an employment training or counseling agency. Their representative will give you a business card with your name written on the back, to present at ClothingWorks.

Then call **672-3780** to make an appointment or leave a message. Please call during business hours, 8:30 a.m. to 4:30 p.m. and give the following information when you leave a message: Name, phone number and Referring Agency

ClothingWorks will return your call and arrange a convenient time for you to come to the store.

Customers are booked Tuesdays, Wednesdays, and Thursdays between 9:00 a.m. - 12:00 p.m. or 1:00 p.m. - 4:00 p.m.

When you arrive at ClothingWorks, give the business card to the volunteer. Our volunteers will be happy to help you find the appropriate clothing for your job search. You may browse and try on clothing as you would in any store.

**NO RETURNS
OR EXCHANGES**
