Memory Care

We have a specialized, secure neighbourhood within Goderich Place focused on a Montessori based program & proven methods of engagement, designed to create, enhance & stimulate each individual's interests.

Respite care is a great idea for recuperating after a hospital stay. The staff are wonderful and I have felt very comfortable and at home. Thank you for all the loving care.....Velma Graf

Independent Living

From spacious, thoughtfully designed bachelor, 1 & 2 bedroom suites, many with kitchens, kitchenettes & balconies to a wide assortment of service packages, you will be delighted to call Goderich Place home. Well planned amenity spaces include hair salon/spa, 1st rate dining room, games room, library & computer room, fitness centre, tv lounge, nursing care, and 24 hr. snack bar.

Rehab, Respite & Convalescent Care

Goderich Place offers the most comprehensive short term rehab services in Huron County. The focus is on you, your outcomes, your goals, returning you home stronger than before. Care service packages, can be tailored to suit your needs.

My apartment is cozy, luxurious and full of light. What I appreciate most about my life here is the warmth and caring of everyone on staff. They are so helpful and go out of their way to meet our needs. I feel surrounded by loving kindness and warmth. Pam Stevenson
